Realize Your Creativity

Realize your creativity

Advanced Auto Threader

Advanced auto threader allows you to start sewing quickly

Large Working Space

The great 230mm (9") working space for larger projects

230mm

Extension Table Included

The included extension table provides a larger working area when working with larger projects

Electronic Buttonhole Foot

Provide the fine tuning adjustment of the buttonhole length and width to achieve a perfect buttonhole

Dual Feed System

Help to feed your fabric from the top to bottom at the same time, which results in better feeding capability

Pivot Function

At the end of every seam, the presser foot will raise, with the needle in the down position

Box Feeding System

The feed dogs move in a square which results in better feeding capability

Auto/Manual Presser Foot Lifter

Available to select either automatic or manual presser foot lifter

Bright Illumination

With 5 ultra bright LED lights

Knee Lifter

Raise the presser foot by knee lifter which keeps your hands free to focus on your project

Multi-function Foot Controller

Control up to 4 different programs by simply press your foot controller

Large Embroidery Area

Up to 160 x 260mm (6.3" x 10.2") embroidery area
unleash your creativity

5" TFT LCD Color Touch Screen, OS System Installed

5" TFT LCD color touch screen allows you to control
and adjust lots of features on your machine easily, and
it helps to check your designs in color before starting

Multiple-spool Holder Stand

Allow to line up for several spools of threads, and it will
make your sewing and embroidery more convenient

Independent Bobbin Winding System

There is no longer need to re-thread when winding the
bobbin. And it will save time by winding bobbin while
sewing or embroidering

Artist Tool App

With Artist Tool App, you can
leave your machine and create
or edit your designs and monitor
embroidery progress anywhere

Built-in Wi-Fi
It is easy to send embroidery designs
from mobile device or computer
to the machine

Edit Embroidery Designs

Transfer Files

Stitch Monitoring

Artist Toolkit

Artist Toolkit is an easy to use but
multi-function embroidery software.
It works on both Windows and
MAC OS

Edit Mode

70 Embroidery patterns
included. Free to rotate,
align, array and edit your
designs

Text Manager

Manage and create
letterings by 11 built-in
fonts

Monogram

Create your personal
monogram ideas by
different selection of
fonts and frames

Paint Mode

Draw different graphics
and line to create your
own design easily
